### ABOUT FYIC

ONTARIO SOCIETY OF PROFESSIONAL ENGINEERS

The First Year Integration Conference is intended to help integrate engineering students into their first year of university. The Conference is entirely organized and run by engineering students and is attended by over 100 first years from 16 universities across Ontario.

This year, we are pleased to announce that the theme of this conference will be "Engineering your Passion". Throughout the conference, delegates will be exposed to a variety of activities, workshops, and sessions that will encourage them to start thinking about the future. This will include discussions about our responsibility as engineers to the environment, our communities, and our professional development.

FYIC presented by OSPE will take place between November 26th – November 28th 2022 starting Friday evening and ending Sunday afternoon. Students will have the opportunity to get to know delegates from other schools, engage in various activities and games, and participate in mindful discussions about Engineering as a whole.

# OUR THEME

The theme of ESSCO FYIC is **Engineering Your Passion**, focusing on helping students make the most of their university experiences and to grow into the engineering profession. Delegates will be able to speak with students and industry professionals across Ontario and learn about how to prosper within this new chapter of their lives while learning to appreciate the engineering profession.

By doing this, delegates can return to their regular schedules with an objective to understand all aspects of their respective disciplines while learning to be able to apply it in a way that is ethical and ignites their passion. Attending FYIC 2022 will help students discover all that engineering has to offer and dismantle any preconceived notions about different disciplines, practices and more. These qualities are necessary for the next generation of engineers: acting with passion, curiosity, and an open-mind.

SOCIALS

#### **Casual clothing**

School pride is always encouraged! Bring and wear your coveralls, school swag or any other outfits to show off your school. Don't forget patches!

#### Formal/Semi formal

There will be dancing afterwards at the gala so bring a pair of comfortable shoes.

**Note:** As we will be walking to some of our locations, please bring appropriate outdoor walking attire.

Don't forget to bring your swimsuit for the pool at the hotel!

### EMERGENCY NUMBERS

In the event of an emergency on campus, you can:

- Dial ext. 88 from any campus phone
- Dial (905) 522-4135 from any non-campus phone
- Dial 911

If contacting Security Services from a non-campus phone, it is faster to dial (905) 522-4135 as this contacts McMaster Security Services, who will be able to respond quicker than Hamilton Emergency Services.

The McMaster SafetyApp can be installed on both Apple and Android devices.

Use the QR code to download the McMaster SafetyApp!

This app contains all of the emergency numbers and protocols for how to deal with emergencies on campus.
